PE

- **Teacher:** Mrs Leeves & Mr Ireland
- **Exam board**: Pearson
- **Course work or exam?** 40% Coursework 60% Exam
- **What will I learn about?** There will be two exam papers: Fitness and body systems (36%)Health and Performance (24%)Practical performance (3 sports = 30%) Personal exercise program (10%)

- **Great for:** GCSE PE is an interesting and challenging learning experience. We introduce key sporting ideas and show how these interact with practical performance and you will gain insights into the relationships they have with each other. This course is great for the development of transferable skills including decision making, psychological understanding of people, independent thinking, problem solving and analytical skills as well as thinking, acting and reacting under pressure.

Student view: *"I love studying PE, the lessons are fun and enjoyable, I really like learning about emotional and physical aspects of PE (which helps with biology) as well as the practical side of being able to practice my 3 sports. I love the Personal Exercise program as it feels like a project and it was really enjoyable doing it. Definitely do GCSE PE!"*
