Form tutors are responsible for recording attendance on a daily basis and submitting this information to the school office via Isams. Tutors are vigilant to attendance issues and will make an initial enquiry and contact home on the reasons for non attendance. They will keep a record of this communication.

3.7 Parents/carers are expected to:

- Make sure their child attends every day on time (by 08.30-40 at the Prep School, and 08.20 at the Senior School)
- Contact the school to report their child's absence before 8am on the day of the absence and each subsequent day of absence).

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day (at 8:20am) and once during the second session (13:50). It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry

- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils must arrive in school by 8:20am on each school day.

The register for the first session will be taken at 8:25am and will be kept open until 9:00am. The register for the second session will be taken at 1:50pm and will be kept open until 2:10pm. Pupils arriving outside those time periods will be recorded as Late

4.2 Unplanned absence

The pupil's parent/carers must notify the school on the first day of an unplanned absence by 8:00am or as soon as practically possible (see also section 7).

Parents to call 01580 830396 (for Senior School), 01424 751555, option 1 (for Prep School) or absentees@claremontschool.co.uk and give the reason for the absence and any supporting documentation as evidence.

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or if the authenticity of the illness is in doubt, the school may ask the pupil's parent/carers to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carers notifies the school in advance of the appointment.

Absences of shorter than one day e.g. medical appointments must be requested by email by the parent to both tutor email and absentees@claremontschool.co.uk with any supporting documentation where possible.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Any absences in excess of a day need to complete an absence request form and be authorised by the corresponding Head of House / Phase Lead.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- On arrival at school, students sign in at the office or the sixth form building (for sixth formers only). Administration will mark late arrivals after 9am on our MIS.
- ILS is a privilege awarded to all Sixth form students who may leave the school premises if they have no lessons. Lateness is presumed as ILS unless otherwise flagged to the relevant Head of House by the tutor or classroom teacher.

A lateness report generated half termly will be reviewed by the Whole School Leadership Team.

4.5 Following up unexplained absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by phone call initially by the school admin team. Unexplained absence will escalate to the Head of House/Phase Lead to investigate further. Failure to ascertain the whereabouts of a child, responsibility is handed over the DSL. Concerns for a child's welfare would trigger the normal safeguarding procedures (see Safeguarding policy in line with East Sussex Guidance on pupil attendance).
- Identify whether the absence is approved or not. Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained

• 4.6 Reporting to parents

Cumulative attendance for YTD is reported half termly on all school reports.

Letters informing parents of current attendance will be sent when dealing with attendance issues. (see below).

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The deputy/Vice Principal will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the deputy/vice principal's discretion.

We define 'exceptional circumstances' as absence not related to health or routine appointments.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious or cultural observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- International students facing travel restrictions to return home during holidays
- Bereavement
- Attending an interview
- A temporary time limited, part time timetable
- Flexi-schooling requests due to CoCurricular activities outside of school
- Study leave for Y11 and Y13 after May half term
- Attending Work Experience
- Attending an offside approved educational activity

A planned request for absence must be submitted initially to your form tutor, at least one week prior to the planned request, using a specified request for absence form- Appendix 2.

5.2 Reducing persistent and severe absence

A report is generated by House/Phase/ Year on a half termly basis and reviewed in safeguarding team meetings.

<=90% triggers a discussion to ascertain reasons why.

- Justifiable and explainable absences are acknowledged and not sanctioned.
- Students whose absences are concerning and unexplained, contact with parents via phone and letter home to highlight the current attendance record. The purpose of this is to be supportive and suggest strategies to support improved attendance.
- On subsequent reviews, improvements made will be acknowledged and the impact of intervention discussed.
- Where there is no improvement in attendance, parents will be asked to attend a meeting with a Head of House/Phase Lead and a letter sent home.
- If no improvement continues, the student will be referred to the DSL / DDSL

% attendance term to date	Intervention
All %	CPS Attendance tick sheet updated in student diaries/Phase Book. At CSS Attendance point earned for one week's full attendance that feeds into Claremont League.
Tier 1 94-90%	Conversation in tutor time on causes of absence and how attendance can be improved. Attendance and conversation noted in Pupil Profile

	Nudge Letter sent at each data analysis point.
Tier 2 89% - 80%	Attendance letter sent from Head of House (CSS) Phase Lead (CPS) requesting online attendance target meeting. -Pupil Voice and Parent Voice captured on reasons for low attendance -Formal attendance target agreed. - All above detailed in an Additional Support Plan

Tier 4 50%	Referral to Early Help Key worker by Assistant Principal Pastoral

Failing to attend school for 20 days, will result in a child being off-rolled and notifying Child Missing in Education Services.

6. Strategies for promoting attendance

At the Senior School:

A merit value is placed on weekly 100% attendance and fed into the overall Claremont League where there are different levels of celebration (student, tutor group, House and School prizes). Attendance is specifically promoted and celebrated in half termly assemblies with 100% attending students put in a prize draw to win Amazon vouchers. All 100% attendees for each half term are applauded on the Claremont League Board in the centre of the school.

At the Prep School:

A Star is awarded to students who achieve 100% attendance for that week. Students who have achieved 100% attendance in a term are celebrated in assembly by being entered into a prize draw. The names of these students are also displayed on their House board.

7. Supporting pupils who are absent or returning to school

All pupils with an absence that falls below 90% will require an additional support plan. The focus of the plan is to identify

- Push and pull factors that contribute to poor attendance

- Identify barriers to attendance relating to school, such as lessons, sport, free time, lunch, etc.
- Promote initial part time timetables,
- Use of exit cards
- Promote soft starts
- Buddies/mentors
- Nominated teachers
- Use of safe spaces, and designated areas.
- Thrive Programme
- Alternative lunch spaces/ meals.
- Uniform adaptations
- Attendance rewards incentives.
- SEN assessments, and adaptations.
- Use of Learning Support Assistants.
- Arrange KIT visits outside of the school environment.
- Make referrals to Level Early Help key workers if attendance falls below 50% over two terms.

8. Attendance monitoring

The admin officer responsible for attendance at our school monitors pupil absence on a daily basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

The pupil's parent/carer is expected to call or send an email to absentees@claremontschool each day their child is ill.

If a pupil's absence goes above 5 days, the school will contact the parent/carer of the pupil to discuss the reasons for this.

If a pupil's absence continues to rise we will follow the attendance intervention procedures as outlined above.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Attendance data is stored on the Isams MIS. Attendance is formally recorded twice per day during Tutor registration times.

Attendance analysis takes place half termly by the Head of House/Phase Leads. Pupils below the threshold are discussed with DSL, Deputy/ Vice Principals and tutor to explore any extenuating circumstances that may have caused the low attendance. Communication to parents is made via letters and phone calls. The intervention procedure outlined above is followed. Attendance is also discussed at Student Phase and Student Welfare Meetings. Interventions are recorded on a pupil profile form, in the minutes of any Student Phase meetings and/or My Concern.

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families

- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

The school will:

Provide regular attendance reports to Form Tutors, Heads of House and Phase Leaders to facilitate discussions with pupils and families.

This data is used to initiate, monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every 24 months by DSL, Deputy / Vice Principals Prep and Senior.

9. Links with other policies

This policy links to the following policies:
