Policy Owner: Principal

Date: September 2020

Review: September 2021

A. PURPOSE

Claremont School considers the safety of its students of paramount importance and we make a commitment to protecting the children with/for whom we work. To this end, and in addition to a Child Protection and Safeguarding Policy Claremont recognises the need to ensure, where possible, the safety of our students when we employ, and continue to employ, persons responsible for the delivery of teaching and learning, care of students, or those persons who interact with our students on behalf of Claremont.

B. SCOPE

This document applies to Claremont Senior School, Nursery, and Boarding, and is the process that should be followed during all recruitment.

C. PROCESS

This application note has been developed to embed safer recruitment practices and procedures throughout Claremont School and to support the creation of a safer culture by reinforcing the safeguarding and well being of children and young people in our care.

This Application Note has been approved by the ISP Senior Management Team and will be reviewed on an annual basis to ensure it continues to be in line with considered best practice.

The application note reinforces the expected conduct outlined in Claremont Code of Conduct as well as the Whistle Blowing Policy with which all staff are expected to be familiar with. All successful candidates for paid or volunteer employment will be made aware of these documents.

This application note is an essential element in creating and maintaining a safe and supportive environment for all students, staff and others within the Claremont community and aims to ensure both safe and fair recruitment and selection of all staff and volunteers by:

1. attracting the best possible candidates/volunteers to vacancies
2. deterring prospective candidates/volunteers who are unsuitable from applying for vacancies
3. identifying and rejecting those candidates/volunteers who are unsuitable to work with children and young people

ISP is committed to using procedures that deal effectively with those adults who fail to comply with Claremont's safeguarding and child protection procedures and practices.

Any abuse against a member of staff will be dealt with in accordance with local guidance or law and will be reported to the relevant Regional Managing Director. ISP guidance will be followed if any member of ISP/school staff, volunteer or contractor has:

1. behaved in a way that has harmed a child, or may have harmed a child
2. possibly committed a criminal offence against or related to a child
3. behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children

As an employer we are under a duty to refer to the Disclosure and Barring Service (DBS), any member of staff who is currently living and working or has previously lived and worked in the UK, following disciplinary investigation, is dismissed or resigns because of misconduct towards a pupil and we may refer any concerns we have before the completion of this process.
