

# Geography

- **Exam board:** AQA (7037)
- **Course work or exam?** 80% exam:  
20% Geography Fieldwork investigation
- **What will I learn about?** More than 800 million people do not have access to basic drinking water, you will find out why. How can scarcity be tackled within existing global governance systems that must also act on the threats and challenges posed by the natural world.
- **Great for:** A-Level Geography will prime you with the transferable skills needed to succeed at university, preparing you for eventual dissertations and the need to apply greater independence.

**Student view:** *"A-Level Geography has made me think differently about the world around me. I am more questioning of place and have a better understanding of the concepts that shape the world I live in"*
