

Music Technology

- **Exam board:** Pearson Edexcel
- **Coursework or exam:** 40% coursework, 60% exam
- **What will I learn about?** Recording techniques, audio editing and effects. Computer composition, sampling and synthesis. The history of music technology.
- 1.
- **Great for:** Students with an interest in music production; students with an interest in popular music; students who want to pursue a career in the music industry.

Student view: *"I enjoy most genres of music and am interested in learning about how they are produced."*
(Francis, Year 12 Music Technology student)

'Claremont Extra', was an idea born out of the confines of lockdown when Drama and Music Tech students started to work with the original and powerful creative medium of Radio in order to share the plays that they had been devising and rehearsing with an audience.
