

Spanish

- **Exam board: AQA**
- **Course work or exam? 100% Exam**
- **What will I learn about?** Complex language and grammar is studied as well as cultural and historical topics about Spain and Latin America. Spanish film (Pan's Labyrinth) and literature (La Casa de Bernarda Alba) are both studied and critically analysed and students will choose a hispanic topic of particular interest, which will be studied for the Individual Research Topic (IRP).
- **Great for:** Students with an interest in language and how it works, and who want to learn more about the culture, history and current affairs of the Spanish speaking world. Studying a language will not only make you more employable, but will also give you the tools to not only understand, but to experience and explore the Hispanic world.

Student view: *"I enjoyed studying Spanish because I have always enjoyed Spanish history and to be able to learn about it, as well as the language, in school with good friends and a good teacher is more than I could ask for. When I am older I want to work in Spanish Tourism as it will give me the opportunity to travel the world and experience so many different cultures".*
(Ben, Year 13 Spanish student.)
